

# Ibanda School Projects

## **Shoes \$1,000**

The dirty uneven ground and continual growth of our kids makes it difficult to keep a good pair of shoes on their feet.

## **Drums \$100 Pledged**

Our children love to play music and sing to our Lord. Drums are a big part of their culture, but at this time they just play drums made out of jerry cans.

## **Textbooks \$300**

Ibanda is our smallest school, but the children there are very good students. To continue educating the students we must provide good textbooks.
