

Ministry Needs Descriptions

New van (4x4 that rides higher) **\$30,000** **funded**

Right now as a ministry we have one very big need. Our Miracle Van has served a huge purpose to get our ministry to where it is today. Unfortunately, it is becoming very “tired” as Pastor Emmy says. Hours of driving on rough terrain have made it undependable. As our ministry expands, we need a vehicle to transport students and US teams all over Uganda.
